The School of Commerce & Management at Nirwan University Jaipur successfully organized a one-day lecture on the topic “Methods of Saving Money and Ways to Accomplish It.” The event aimed to equip students with practical financial skills crucial for personal and professional success.

The lecture covered various aspects of effective money-saving strategies. It started with an introduction to saving techniques, emphasizing the importance of creating a detailed monthly budget. Students learned how to track their income and expenses, allocate funds for savings, and ensure they prioritize saving before spending.

The lecture also introduced students to the concept of setting financial goals. By defining short-term and long-term goals, students can stay motivated and disciplined in their saving efforts. The speaker discussed various saving methods, such as using savings accounts, fixed deposits, and investment opportunities, to grow their savings over time.
