

Nirwan University Jaipur

Established by the Rajasthan State Legislature vide Act No.2 of 2017 and recognized u/s 2(f) of the UGC Act 1956

Activity Report

Academic Year: 2024-2025

- 1. Name of Organizing Department:** School of Basic & Applied Sciences in Association with NSS Cell
- 2. Activity Title:** National Space Day Celebration
- 3. Date & Duration of Activity:** 23-08-2024, 10:30 AM to 12:00 PM
- 4. Venue of Activity:** Vivekanand Seminar Hall, NUJ
- 5. Name & Contact Details of the Organizer (s):**

Organized By	In Association With
Dr. Peeyush Kumar Kamlesh Associate Dean Faculty of Basic & Applied Sciences Nirwan University Jaipur	Dr. Vijay Laxmi Choudhary and Dr. K. C. Saini NSS Programme Officer, NUJ

6. Participants Details with list:

Total Participants	Number of Male	Number of Female
73	50	23

- 7. Target Audience:** University students and faculty members
- 8. Objective of the Activity:** The objective of celebrating National Space Day is to inspire and engage students in the wonders of space technology and exploration while commemorating the successful landing of Chandrayaan-3. The event aims to raise awareness about the importance of space science in everyday life, foster curiosity, and encourage future generations to pursue careers in space-related fields, all while celebrating India's achievements in the global space arena.
- 9. Any suggestion for improvement based on the feedback or otherwise:** Suggestions for improvement include adding interactive panel discussions with space experts, hands-on workshops, and space-themed competitions.

NOTICE

Nirwan University Jaipur

Established by the Rajasthan State Legislature vide Act No. 2 of 2017 and recognised u/s 2(f) of the UGC Act 1956

Ref: NUJ/Reg./2024/ 3194

Date: 21.08.2024

NOTICE (Celebration of National Space Day)

In line with the directives issued by the University Grants Commission (UGC) and as per the enclosed letter, all the faculties are hereby instructed to take necessary actions to commemorate the maiden **National Space Day** on **22nd and 23rd August 2024**. This year's theme is "**Touching Lives while Touching the Moon: India's Space Saga.**" The objective of this commemoration is to engage and inspire the youth towards space technology and its applications, fostering a deeper understanding of India's remarkable achievements in space exploration.

The details of the activities must be shared on the **University Activity Monitoring Portal (IJAM²)** through the Google Form link provided in the enclosed letter. **Further, the aforementioned activity will be coordinated by NSS Cell which will be assisted by Dr. Peeyush Kamlesh.**

It has approval of the competent authority.

Venue: Vivekananda Seminar Hall, NUJ

Brief Report of the Event

1st National Space Day Celebration

Aug. 23rd, 2024

The School of Basic & Applied Sciences, in collaboration with the NSS Cell, NUJ, proudly celebrated the National Space Day on August 23, 2024. It is dedicated to commemorating the successful landing of Chandrayaan-3. This year's theme was "Touching Lives While Touching the Moon: India's Space Saga", focused on highlighting India's remarkable achievements in space exploration and its impact on everyday life.

The event aimed to engage and inspire the youth towards space technology and its applications. Students and faculty members gathered at the Vivekananda Seminar Hall to participate in this momentous celebration. The event was well-structured and followed a detailed minute-to-minute schedule, ensuring smooth coordination and an enriching experience for all attendees.

The event began with an inaugural address by the Hon'ble officiating VC Sir, Hon'ble Prof. Detha Mam, and Esteemed Officiating Registrar Sir. They set the tone for the celebration highlighting the significance of National Space Day.

Dr. Peeyush Kumar Kamlesh, Associate Dean, Faculty of Basic & Applied Sciences, introduced the audience to the history and purpose of National Space Day, emphasizing the importance of space exploration in shaping our future.

A captivating video presentation showcasing the journey of India's space programs, including key milestones such as Chandrayaan-3, was coordinated by Dr. Peeyush Kumar Kamlesh. The audience was deeply moved by India's progress in space technology.

Students participated in a poster presentation, where they showcased their creative representations of space exploration and technology. Dr. Vijay Laxmi Choudhary and Dr. K.C. Saini, NSS Programme Officer, coordinated this session, which allowed students to express their ideas and knowledge in a visually engaging manner. Hon'ble Prof. Detha, Prof. Preeti Sharma, Dr. Alok Singh, and Dr. Rajendra judged the posters presented by the students and declared first, second, and third position.

Acknowledging the hard work and creativity of the participating students, Dr. Krishna Agarwal, Dean, Faculty of Yoga, will announce the winners of the poster presentation competition on Sept. 05th, 2024. The event concluded with a vote of thanks by Dr. Alok Singh, expressing gratitude to all participants, coordinators, and attendees for their contributions to making the event a success.

The School of Basic and Applied Sciences and the NSS Cell, NUJ, extend their heartfelt thanks to everyone who contributed to the success of this event. We look forward to continuing this tradition of celebrating National Space Day and inspiring the next generation in the upcoming years.
