Brief Report

On **31st July 2024**, the **Gyan Dhara Central Library** at Nirwan University organized a **workshop on National Digital Library of India (NDLI) & NDLI Club Awareness, Benefits, and Requirements**. This event was aimed at raising awareness about the resources and opportunities provided by the NDLI platform and encouraging the establishment of NDLI clubs within academic institutions.

The workshop was convened by **Dr. Reena Anand**, Head Librarian cum Associate Professor of Nirwan University Jaipur, who has been at the forefront of promoting digital literacy and academic resource accessibility. The event was smoothly anchored by **Dr. Krishna Agarwal**, Assistant Professor, who ensured the workshop proceeded efficiently and engagingly.

The keynote address was delivered by **Mr. Partha Sengupta, Senior Manager, NDLI Club**. His insightful presentation covered the following key areas:

Highlights of the Workshop:

1. Introduction to NDLI: Mr. Sengupta began by explaining the vision and mission of the National Digital Library of India (NDLI), which aims to make educational resources available to all sections of society, regardless of geographical or economic barriers. The NDLI platform provides access to millions of books, journals, research papers, and multimedia educational content.

2. NDLI Club Awareness: Mr. Sengupta focused on the formation of NDLI Clubs in universities and colleges, emphasizing how these clubs foster a collaborative learning environment by organizing educational activities such as book discussions, research paper presentations, quizzes, and workshops. He urged the students and faculty of Nirwan University to establish their own NDLI Club to fully leverage the platform's resources.

3. Benefits of NDLI: The session covered the numerous benefits of NDLI, particularly how it provides a single platform for accessing diverse academic resources in multiple languages.

4. How to Utilize NDLI: Mr. Sengupta demonstrated how students and faculty can register on the NDLI platform, search for relevant materials, and make use of the various tools and resources offered by the platform. He emphasized the user-friendly nature of the portal, which allows easy access to content from anywhere, at any time.

The workshop saw enthusiastic participation, with several attendees posing questions about forming NDLI Clubs and maximizing the benefits of NDLI for their academic growth.

The event concluded with a **Vote of Thanks** delivered by **Dr. Alok Singh**, Dean Academic, Nirwan University. Dr. Singh expressed his gratitude to Mr. Sengupta for sharing his valuable insights and praised the efforts of Dr. Reena Anand for organizing such an impactful event.

This workshop was an important initiative in furthering Nirwan University's commitment to enhancing learning opportunities through digital platforms and collaborative academic engagement. The event successfully promoted the use of NDLI as a key educational resource at the university.
